

2017-2018 CALENDAR

The **Estrellitas** mission is to empower Latina youth in the Atlanta community by developing and nurturing their leadership, intellectual, and cultural potential!

Why should you join?

We have sessions about health & wellness, art, politics, careers, community service, and money management, plus many more topics. You even get to go on field trips, participate in volunteer work, and do art and crafts! But most importantly, get to know fellow Latina girls who are interested in empowering others and make new friends.
